Notes and gaps

- Grant totals are the sum of grants to organizations itemized in Part XIV, line 3a (grants paid during the year) of the e-filed 2024 Form 990-PF. Grants to individuals are counted but recipients are not named.
- Cause areas are tagged by literal keyword matching on the stated purpose and recipient name; grants described only as “general support” are untagged.
- Contact details and application guidance are reproduced as filed and may be out of date — confirm on the funder's website before applying. Capitalization of text quoted from filings has been adjusted for readability (many filers type in all capitals); the wording is unchanged.
